

Prepping Assessment

This assessment can be just for you, or it can be shared with us. If you send it back, it will help us to see where our focus needs to be with regard to this group. If you don't feel comfortable, no worries! Just print it out and put it in your binder.

At the end of the course, there will be some points of comparison to help you see how much you've accomplished, as well as the things you need to work on.
